

Husqvarna PW 235R

An all-round high-pressure washer with robust and purposeful design. The remote control makes it easy to set your required pressure while working. Two swivel functions for nozzle adjustment and quick connection prevent hassle. On-board accessory storage, hose reel and power cord storage make operation efficient. The metal pump provides a high, reliable durability. Two nozzles and one foam sprayer are included.

Hose reel

Convenient and efficient storage of hose with easy roll-up.

Metal Pump

The pump is made of metal to minimise the risk of breakage and to give your product a long lifetime.

Remote Pressure Control

Wireless setting of required pressure simplifies operation, as you do not need to make adjustments on the machine or at the nozzle. It also helps you to not use any more water or electric power than needed.

Flexible High-Pressure Hose

Added comfort and user-friendliness thanks to the flexible, non-tangling hose.
